Waterman: Fills water jugs before meal. Fills large pot of water for cleanup and sets near the stove. Sets up cleaning stations.

Cook: Prepares the meal. Puts on cleanup water as soon as cooking done. Serves guests, then the patrol, then themselves.

Trash: Cleans up all trash in patrol area. (Also does Scrape duties for patrols with fewer than 10 scouts)

Scrape: Scrapes leftover food off dishes into trash before they are washed

Wash: Washes dishes in warm, soapy water. Places them in Rinse bucket.

Rinse: Rinse dishes in cold water. Makes sure all soap is off dishes and places them in Sanitize Bucket

Sanitize: Leaves dishes in HOT water for at least 10 seconds, takes them out and puts them away when dry.

Put Dishes Away: Puts dishes away once they dry. (In most patrols, this will be done by Sanitize)

Stove: Cleans off stove and closes and puts it away until the next meal.

Patrol Box: Cleans patrol box. Makes sure all items used for the meal get put back in patrol box and unused food put away.
